Holds Statement No: PCFV 811832

As a result of carrying out the verification of product life cycle greenhouse gas emissions in accordance with CNS 14064-3:2007, it is the opinion of BSI with reasonable assurance that:

- The product carbon footprint with the functional unit of one Chunghwa Telecom's direct sales counter service is 391.73 grams of CO<sub>2</sub> equivalent.
- No material misstatements in this product life cycle greenhouse gas emission statement were revealed.

The product life cycle GHG data quality was verified to be acceptable against the requirements of ISO 14067:2018 and Management Guidelines for Promoting Product Carbon Footprint of the Environmental Protection Administration (including Annex III-CFP data qualification and verification specification).

This statement shall be valid for a maximum period of two years after the latest issue date on this certificate. Should there be a change in the life cycle of the product whose GHG emissions are being assessed, the validity of this opinion statement will cease.
